## Wildlife trust: Dorset next for badger cull

AS BADGER culling begins this week in Somerset and Gloucestershire, Dorset's largest conservation charity is warning – we are next.

Up to 5,000 badgers are expected to be shot in the two counties over the next six weeks in an attempt to control the spread of Bovine Tuberculosis in cattle.

Dorset Wildlife Trust – which opposes the culls – says it is “highly likely” that culling will take place in Dorset next year.

Supporters of culling say the action is necessary to protect livestock, which

have to be destroyed if found carrying the disease. Opponents of culling claim it is inhumane and ineffective.

Dorset has only been earmarked to take part in the programme if the number of badgers killed in the other two counties is too low to judge the efficacy of the action.

But DWT claims it understands from the Department of Environment, Food and Rural Affairs (DEFRA) that culling in Dorset is a likelihood.

DWT states on its website: “Defra have stated that Dorset is a reserve area for the badger cull,

by Chris Denne

chris@pemedial.co.uk

and if the Gloucestershire or Somerset culls do not happen for any reason, there is a likelihood that a cull will come to Dorset this year though it is yet to be licenced.

“Otherwise our understanding from Defra is that badger culling in Dorset would be highly likely to start next year.”

DWT Chief Executive, Dr Simon Cripps, said: “As an owner of a herd of cattle, Dorset Wildlife

Trust is extremely sympathetic to the farmers whose cattle are affected by this devastating disease, but we urge the Government to consider the scientific evidence which suggests that the cull may spread the disease even further.

“The problem could even be made worse as increasing the movement of potentially infected badgers into an area cleared of badgers could risk contact between them and uninfected cattle.”

In July an attempt to debate whether Dorset County Council should oppose culling in the county was thwarted by DCC cabinet member for the environment, Councillor Hilary Cox, whose proposed amendment to the question was voted through, apparently on party lines.

Commenting on the vote, Ian Mortimer of campaign group Dorset for Badger and Bovine Welfare noted: “The amendment was passed by 26 votes to 12 with two abstentions.

“The political breakdown of the council is Conservatives 27, Lib Dem 12, Labour 5, UKIP 1.”

He went on to describe the debate as “a pantomime of ignorance and misinformation.”

But badger culling in Dorset would be welcomed by many farmers.

National Farmers Union's Paul Bennet, speaking to the *View* in July, said: “There is a lot of scientific evidence that says it is effective.

“There is a whole raft of measures needed to tackle incidents of TB and the sad reality is we live in an area

that has fairly high levels of incidences.”

Much of the argument surrounding badger culling surrounds which scientific studies are to be believed.

A ten year £50million study into badger culling carried out in England – the ‘Randomised Badger Cull Trial’ – found no reduction in bTB in areas where culling took place.

However culling in parts Ireland appears to show it does reduce incidences of the disease.

Wales is trialling a badger vaccination programme while Scotland is classified as bTB free.

## New training area hailed as ‘fantastic’

THE new sports training area coming to Bridport has been hailed as a “fantastic new development.”

Representatives from the town council met with the town's sporting bodies to unveil plans for the facility next to Bridport Football Club's ground at St Mary's.

The £54,000 area will be used by Bridport FC as well as schools and members of the public.

A grant awarded by Sport England for £27,500 will cover half the cost with the remainder coming from the town council, Section 106 funding held by West Dorset District Council and from funds raised by clubs.

Bridport FC president Dave Fowler said: “It's a fantastic new development for Bridport.

“Schools can use it during term time and the public in the evenings. I'd like to say thank you to Sports England for making this possible.”

Club chairman Adrian Scadding said: “It's good for the club to have an all weather training facility when the weather makes it impossible to train. It brings the town closer to the football club.”

Former Mayor Geoff Ackerman said: “It's brilliant, a terrific set-up for younger folk to come and train and get involved with sports.”

**JOHN Kellas and parter Jodie Jackson took on the Aroma Cafe in Lyme Regis over a year ago.**  
Originally from Brixton, John grew up in Croydon before studying agriculture as Seale Hayne in Newton Abbott and pursuing a career in farming.

He returned to the South West in 2009, this time with a young family, when he had a job opportunity near Lyme Regis and now lives in West Bay.

### ● WHAT did you do before opening Aroma?

I have worked in farming since I could walk in wellies on a wide variety of farming enterprises spending several years co-managing an organic market garden in Cambridgeshire with my now partner Jodie, and others. It was a charity offering training and support to people with learning disabilities, we supplied high end restaurants and national trust outlets with organic vegetables, potted herbs and plants, and we had a farm shop and box scheme.

### ● SO, what's the story behind you taking on the Aroma Cafe?

Growing and cooking goes hand in hand, in my mind, and it's something that I've always been very passionate about - spending all my free time gaining new culinary experiences (eating) or in the kitchen! When I was made redundant I took it as an opportunity to take this further and develop my skills working with some great local chefs including Carl Bashford and George Marsh. Then Aroma came up, it ticked all the boxes, and we bravely took the leap. We are coffee nerds and were looking for somewhere to combine all our passions and experience in one place, and we haven't looked back since.

### ● WHAT is your favourite cuisine?

Anything spicy and robust in flavour is where it's at! I love Moroccan, Spanish and Indian food.

### ● WHAT kind of food does the cafe offer?

Local, tasty and home-cooked breakfasts, brunch and lunches, daily specials, children's meals, afternoon teas, and lots of home-baked cakes and treats to go with your coffee. Something for everyone is our aim by understanding and catering for gluten and dairy free, vegan and vegetarian diets. We've just brought out a new menu with really clear dietary information and make all our cakes and treats gluten free as standard. We are passionate about seasonal, local but above all quality produce, especially with our farming back-

ground, and have recently become Taste of the West members.

### ● THE cafe has now been open for over a year - what has the response been like from the local community?

# 60 SECOND INTERVIEW

### nity?

We see lots of friendly faces every day! The support and encouragement from our local community has been over-whelming and very valued, we've made some real friendships.

### ● DO you have any future plans for the cafe?

We are limited in size but not in ideas, and it will always be evolving! In particular this autumn our special supper evenings in conjunction with Marine Theatre performances will resume. We are also opening up to local groups again - book clubs, art clubs, coffee mornings, knit and natter, that kind of thing. And there will be more updates to the decor again in the winter... watch this space!

### ● STAFF at Aroma always seem willing to take part in local events - what's your favourite local event?

It's great to have a bit of light relief. I think our favourite so far has been the Great Lyme Regis Christmas Pudding Race - we are planning our Christmas jolly around it this year. It was a lot of fun!

### ● WHAT do you like about the local area?

Hidden gems everywhere! Countryside, people, eateries, arts and entertainment, and having more events than you can throw a stick at!

### ● WHAT do you think it's missing?

Lyme is missing a butchers, and it's always good to have lots of activities for teenagers to get involved in. B-Sharp is a great initiative, and I think the skatepark is eagerly anticipated.

### ● WHAT are your personal interests?

I really enjoy playing hockey for Bridport and going to see live music and comedy, when time allows. I was learning to play the drums however that's been put on hold until we have a sound proofed box! Most of all I enjoy spending quality time with my two little boys.

### ● WHERE is your ideal holiday destination, and why?

India - what an amazing country. We had a fantastic time travelling through India and would love to go back and explore further. Everyone was very welcoming, it was vibrant, resourceful, extreme and I love to barter!

## Another serious accident on A35

A WOMAN suffered serious injuries after her car crashed on the A35 near Long Bredy.

The accident – at lunchtime on Saturday, August 24th – was the second serious traffic incident to take place between Bridport and Dorchester inside a week.

The 48-year-old woman from Poole was airlifted to Southampton General hospital after her Land Rover Discovery, which was towing a caravan rolled several times.

An 11-year-old passenger escaped unharmed while second driver suffered minor injuries.

The A35 was closed in both directions between Bridport and Dorchester while investigations and road cleaning took place.

Anyone who witnessed the incident is urged to contact PC Gareth Blaken on 101.

## Record number of Bridport Prize entries

ORGANISERS of the town's most famous writing competition – The Bridport Prize – are hailing the year as a success, with a record number of online entries.

The event attracted 7,758 poems, 5,887 short stories and 2,720 flash fictions (stories of less than 250 words). In all there were 16,365 entries, with 12,310 received online – a new record.

The judges now have the shortlisted entries, selected by Jon Wyatt and Candy Neubert from the many chosen by readers.

Details of the winners will be published in October during the arts centre's Bridport Open Book Week.

Full details can be found in the arts centre's latest programme and tickets can be booked via the box office on 01308 424204.

## Refuge toys collection

CHILDREN living at West Dorset Women's Refuge have a better chance of a happy playtime following a new initiative.

WDWR workers noticed most children at the centre arrived there with nothing to play with because fleeing dangerous situations with their mothers usually meant no time to pick up things like toys and games.

But following a scheme set up by Dorset County Council the children now have a range of things to play with.

The items come from DCC's toy library TREATS – The Resources Equipment and Toy Store.

Based in Bere Regis, the centre offers a wide range of more than 3,000 items for hire. Parents, grandparents, carers, playgroups and childcare professionals can borrow anything from a jigsaw puzzle to a giant Jenga game, while craft materials are also available to buy.

Refuge committee chairman Molly Rennie said: "When you are fleeing from domestic violence and abuse, it's usually last-minute and unplanned. The children arrive at the refuge with nothing, so these gifts are

very welcome indeed. It's wonderful to receive all these boxes of lovely toys – including lots of games that mums can play with their children.

"I'm particularly pleased that TREATS thought of us, because raising awareness is just as important as raising money.

"And we do want to make people aware that help is there for everybody, and no-one should suffer in silence – anyone who needs us can ring

at any time on 01305 262444."

Cllr Rebecca Knox, county council Cabinet member for safeguarding children and families, said: "This is a really imaginative way of sharing and re-using these toys, by passing them on to children who might have to leave everything behind when they move out of an abusive home."

TREATS can be contacted on 01929 472937, or go to [www.dorsetforyou.com/treatstoylibrary](http://www.dorsetforyou.com/treatstoylibrary)

## St Michael's building loses asset status

ONE of the key buildings in the debate over the future of St Michael's Trading Estate has lost its status as a community asset.

Earlier this year the Trick Factory Building had been granted status as a Community Asset under new laws brought in to give local communities more say over the future of assets in their neighbourhood.

Under the new legislation, an asset so listed must be offered first to the community to buy, should it ever come up for sale.

But Trick Factory has been stripped of its status by WDDC planning director David Evans after pressure from Hayward & Co who own the building and the trading estate it stands in.

# Keep your cars locked

MOTORISTS are continuing to leave their cars unlocked or with windows open – tempting thieves to try their luck, according to Dorset Police.

Although vehicle crime has decreased overall in Dorset by 12.4 per cent in recent months, police say more than three-quarters of current thefts from vehicles are occurring as a result of cars and vans being left insecure – either unlocked or windows left open.

Inspector Ernie Henley said: "Empty your vehicle

whenever you leave it unattended.

"A thief will take the opportunity to steal anything from a vehicle that they can keep or sell on - this includes sat navs, CDs, clothing, sport bags and tools. It is not enough just to hide them out of view.

"Also, make sure that you leave your vehicle locked and secure, by checking the doors and windows before you walk away.

"Central locking is a great tool but can you be sure when you 'blip the fob' or 'turn the key' that

all the doors including the boot did actually lock?"

"Reducing vehicle crime is a priority for Dorset Police. Most vehicle crime is opportunistic and therefore can be prevented. We are working hard to address the problem but we need members of the public to take simple steps to help keep themselves and their property safe."

Other tips include keeping driving documents and personal correspondence at home and parking vehicles in busy, well-lit areas and putting a sign which says that no

valuables are left in the vehicle in a window.

Inspector Henley added: "By taking these simple steps, your vehicle becomes a lot less attractive to the opportunistic thief.

"The cost of repairing your car can be substantial, so don't give criminals a reason to want to break into and steal from your vehicle."

Further crime prevention advice and the "no valuables in this car" sign can be found on the Dorset Police website [www.dorset.police.uk](http://www.dorset.police.uk)

# Bridport in top ten market towns

BRIDPORT has been named as one of the nation's top 10 market towns by the BBC Countryside magazine.

The accolade came when the magazine's web site named Bridport as one of just 10 towns in the country to be entered into a poll to decide the 'Best Market Town in Britain'.

The web site singled out Bridport's "high quality of local food producers at bustling markets and an annual food festival."

Visitors can now vote to select which town on the shortlist scoops the top honour.

The full list comprises:

Totnes, Devon; Hebden Bridge, West Yorkshire; St Ives, Cornwall; Whitstable, Kent; Oban, Argyll and Bute; Bridport, Dorset; Narberth, Pembrokeshire; Church Stretton, Shropshire; Peebles,

Scottish Borders; Whitby, North Yorkshire.

## Thank you for supporting wheelchair dancing event

■ WE WOULD like to express many thanks to everyone who was in Bridport on the morning of Saturday, July 27th and visited our fundraising event at Bucky Doo square.

The generosity of the people that morning, helped us raise £220 for Wheel Keep Dancing, which provides dance classes

for wheelchair users in Dorset.

We would like to thank Toymaster and Waterstones of Bridport for their kind donations of prizes and the many donations received from local people of items towards our charity stall on the day.

We would like to thank the Bridport Arts Centre for their support and use of their

forecourt on the day which enabled us to do several demonstrations of wheelchair dancing for the public.

Also, we would like to thank the committee members and helpers who helped make it a successful day.

If anyone is interested in finding out more about our forthcoming classes we

can be contacted on 07570 404 509 or email [wheelkeepdancing@hotmail.co.uk](mailto:wheelkeepdancing@hotmail.co.uk)

## Top brew Can you help track down missing trophy?

COULD we through your columns relay the thanks of our organisation to those who supported our Brew For The Few event at the Salt-house on Tuesday, August 20th.

Especially to our main sponsors, Clipper Teas and Moores Biscuits, whose practical donations made a huge difference to the end result.

Thanks to all of those people we will be able to send a substantial sum to the RAFA Wings Appeal, to help serving and former RAF service men and women.

ALAN KIDSON,  
Events Member,

The Royal Air Forces Association

A BRIDPORT resident is hoping to track down a missing silver bowl last presented as a trophy more than 15 years ago.

Elizabeth Gale purchased and donated the 'Reg Butler Silver Bowl' to Bridport's carnival committee in the early 1990s.

Named in memory of her father, the bowl was presented to the winners of the annual trawler race between Freshwater and West Bay.

The race ran until the mid-1990s when safety fears forced the contest to evolve into the 'best decorated boat'.

The bowl was held for 12

months by whichever boat was reigning champion before being returned each year ready for the next winner.

But when the annual competition dissolved altogether, Mrs Gale lost track of the silverware.

Now Mrs Gale is hoping whoever last won the bowl can return it so that she and the carnival committee can put it to good use once more.

She said: "Is whoever won it last still holding it?"

"As it was a perpetual trophy I feel it should be returned so I can discuss with the carnival and West Bay committees as to what use we can put it to these days.

"At the moment it's wasted. It could be put to good use, preferably as something to do with the sea – like the gig races."

She added: "It was a lovely

bowl and I took a lot of trouble to get it."

Anyone who can help locate the bowl should call Mrs Gale on 01308 459039.

## Free family fun

BRIDPORT Museum has free family craft activities every Wednesday in the school holidays.

Helping families to keep their children entertained, the events cover a range of activities from making peg dolls to dinosaurs.

A museum spokesperson said: "If you pop in any other time you can also do our rat trail, try on some dressing up clothes or explore all the exciting things on display.

"It's brilliant if it's raining, or nice and cool if it's really hot! Entrance to the Museum and all activities is completely free.

"Donations are always welcome to help support the Museum, which is a registered charity."

## Tax the poor motorist again

■ I REFER to your front page story regarding payment to park in the main streets of Bridport.

The county council suggest this will encourage parking for short periods and therefore allowing more cars to take advantage of parking in general.

Is not the real reason to raise more money

from the motorist?

Most parking in the main streets appears to be locals not visitors who generally use the car parks for longer periods.

Tax the poor motorist again, especially those from outside the town and rely on local shops for their daily needs.

# Sunshine and big crowds for

TO THE many English traditions celebrated by the ever-popular Melplash Show, it is tempting to add one more: the scorching August Bank Holiday.

For the second year running blue skies and golden sunshine reigned over the showcase for West Dorset farmers and food producers, recalling a bygone era before jet streams and flood warnings upset the apple cart.

The bucket and spade weather brought tens of thousands to the South West and unavoidably past the showground entrance, with crawling queues the result.

Those who could were better advised to arrive on foot or bicycle – with a brand new bike-parking facility debuting this year.

Once inside, record numbers had a feast of attractions to enjoy.

As well as the livestock and handling judging, visitors from far and wide enjoyed competition jumping and parades of traditional drays.

Displays of dog handling, sheepdogs, falconry and even ferret racing had the crowds cheering, while those with more mechanical interests could peruse vintage cars and bikes and all manner of agricultural machinery old and new.

Meanwhile a busy food marquee highlighted why Dorset has

by Chris Denne  
chris@pemedi.co.uk

a growing reputation as a source of fine, quality produce with stalls, demonstrations and the chance to taste wares all on offer. Show secretary Lucy Hart was delighted with the show's undimmed popularity.

She said: "I am absolutely delighted with the number of people we have here – it's even more than last year."

"It all helps us raise money to do things like support students pursuing a career in agriculture with bursaries and help with buying equipment."

When asked about the queues to enter the showground by road, Mrs Hart gave assurances that all was done to help motorists.

She said: "Unfortunately our location here on the A35 is on a main route down to the South West, which gets very busy on hot bank holiday weekends."

"We have professionals working for us controlling traffic and we do our very best to help. We are sorry for any inconvenience that people may have faced."

She added: "A big thank you to all the 150 volunteers who help make the show what it is."

# Torchlight procession more popular than ever

THOUSANDS poured into Bridport for the increasingly popular torchlight procession.

The annual finale to carnival week sees a 'river of fire' proceed from South Street to West Bay with each walker carrying a flaming torch.

The torches are sold by the carnival committee to raise money for local causes, with people coming from miles around to take part.

The evening was started in traditional fashion with the Mayor of Bridport, Councillor Maggie Ray,

by Chris Denne  
chris@pemedial.co.uk

lighting the first torch before the thousands behind her followed suit.

Penny and Michael Arlidge came down from the Birmingham area to take part after they attended last year's event. Mr Arlidge described the night as "unmissable."

He said: "It's quite a sight. It's something we wanted to come down for again. It's unmissable re-

ally. I would definitely consider coming again – you don't really see anything like this anywhere else."

This year saw an increased media presence with photographers and camera crews capturing the event.

Balmy weather and the multitude of flaming torches made the walk warm enough for t-shirts.

At the procession end in West Bay, a huge bonfire accompanied fireworks to cap the night with the crowds gathering to see out another successful carnival week.

■ The Mayor of Bridport, Councillor Maggie Ray, and her consort, Councillor Martin Ray, lead the procession

ALL PROCEEDS IN AID OF LYME REGIS FOOTBALL CLUB

## An evening with one of football's big names

ONE of the most feared defenders in modern-day football will be the guest speaker at a sporting dinner being organised by Lyme Regis Football Club.

Former West Ham United and Liverpool full-back Julian Dicks will be appearing at the function to be held at the Woodmead Halls on Friday, September 6th.

Dicks was nicknamed "The Terminator" because of his ferocious tackling and competitive nature during a 14-year professional career cut short by injury.

Born in Bristol, Dicks started his football career with Birmingham City for whom he made 89 appearances between 1985 and 1988.

He was transferred to West Ham United for a fee of £300,000 in 1988 and went on to play 159 games for the Hammers and scored 29 goals, captaining the side at the age of 23, before Graeme Souness took him to Liverpool in 1993.

The move to Anfield was not a successful one for Dicks (although he was the last player to score in front of the standing Kop end) and he returned to Upton Park a year later, staying at the club until 1999, having made a further 103 appearance and scoring another 21 goals, many of them penalties.

Dicks played for England Under 21s and the England B team but never got a full international cap.

After retiring from first class football Dicks tried his hand at managing with Wivenhoe Town and Grays Athletic and also became a professional golfer but had to give this up because of a knee injury.

Dicks is now a respected and much-in-demand coach and will be taking a session for the Lyme Regis Youth section players on the Anning Road playing field on the morning of Saturday, September 7th for a fee of £5 per player, which will include a signed certificate and a trophy for the most promising

youngster. At the sporting dinner, Dicks will be interviewed by Tony MacDonald, editor of the West Ham United retro magazine EX, to be followed by a question and answer session. There will also be an auction of football memorabilia.

Tickets at £15 each include a two-course buffet supper and are available from the View from Lyme Regis office on **01297 446155**.

All proceeds from the function will go to Lyme Regis Football Club.

The club is also looking forward to playing host to the **Arsenal Celebrity X1** who will be visiting Lyme Regis on Sunday, August 24th 2014.

## U3A to launch choir

BRIDPORT will soon have plenty to sing about – the formation of a new choir. Organised by the Bridport & District University of the Third Age (U3A) the fortnightly sessions are open to members of the local U3A, which includes Bridport, Beaminster, Burton Bradstock and surrounding villages.

The first session takes place on September 5th at Bridport Rugby Club from 10:30 am to 12noon.

A U3A spokesperson said: "Don't worry if you have no previous singing experience or if you can't read music. It doesn't matter. And you won't have to go through the ordeal of having an audition. The idea is to come along and have fun."

The group aims to tackle show tunes, pop and jazz among other kinds of music. Carol Dixon, who is helping to launch the project, said: "We hope it will become a successful and dynamic addition to the groups organised in Bridport by U3A."

U3A's Pauline Ramsden said: "As well as attracting people already sold on the idea of joining a singing group, we are very much hoping to interest those for whom it will be an entirely new experience."

The choir's musical director is Matt Kingston who, since moving to Dorset in 2007, has been very active in the local music scene, playing the organ in several churches and singing with choirs. In 2011 he became the musical director of Bridport's New Elizabethan Singers.

Matt is described as a prolific music arranger, particularly for brass groups and school ensembles, with more than 200 published arrangements to his name.

He has co-written a series of beginners tutor books for brass and wind musicians, and his music has been performed in over 50 countries.

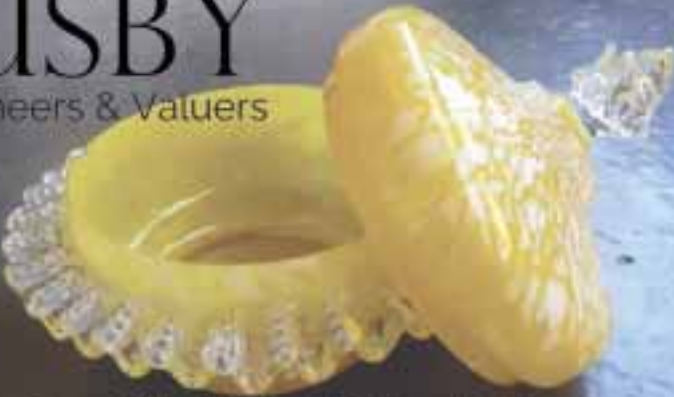

Both his grandfather and great-grandfather were choirmasters and after leaving school Matt spent a year working with the composer-in-residence of the Prague Symphony Orchestra before embarking on a career as a freelance musician.

To find out more about the new U3A choir contact Carol Dixon on [carol.dixon@btinternet.com](mailto:carol.dixon@btinternet.com) or come along on September 5th.

# First case of ash dieback in county

DORSET has seen its first case of Ash Dieback – the fungal disease which threatens to wipe out ash trees across Europe.

Dorset Wildlife Trust reported that a case of the disease – officially known as Chalara – has been confirmed in woodland between Bridport and Dorchester.

It is the 13th county in the UK to have been affected by the disease with Defra confirming cases in 557 sites, including 198 locations in the wider environment.

Caused by the fungus 'Chalara fraxina', Ash Dieback is spread by infected ash leaves, and can spread up to 10 miles on the wind.

Its appearance in the UK has been blamed on saplings imported from Europe.

The fungus infects 60 to 90 per cent of the trees in its path, causing leaf loss, bark lesions, crown dieback and eventually the death of the tree.

Young ash trees are killed very quickly, whilst older ash trees often resist for much longer, but may eventually succumb after prolonged exposure.

Ash Dieback has been spread from large quantities of ash tree which were imported from parts of continental Europe, where the disease was present in 2007. It has since spread to 21 European countries.

DWT's Trees and Woodland Officer, Abby Gibbs, said: "This is a sad day for ash woodlands in Dorset and across the UK.

"Further loss of these beautiful trees will undoubtedly affect the species which depend on them to survive. Therefore, we are asking members of the public to be vigilant, and report any sightings of affected ash trees to the Forestry Commission immediately."

Visible symptoms of infected ash trees include: dead or dying tops of trees (best visible in the summer), lesions and cankers on stems / branches / shoot, dieback of leaves with brown / black leaf stalks, and staining of wood under bark lesions.

In an attempt to map the spread of the disease, an app has been developed to report suspected cases, with over 12,000 downloaded since its launch last year.

Known as AshTag, the app is available from ashtag.org where an AshTagging pack is also available.

The recyclable pack allows users to physically tag individual ash trees (diseased or otherwise) with a unique ID number, and then monitor their progress over the long term via the free AshTag app. DWT is warning that the greatest risk of contamination comes from moving infected plants.

The wildlife organisation warns that while there is a low probability of carrying the spores on clothing or footwear, Forestry Commission advice is to avoid moving ash leaves around the countryside, by ensuring shoes and car tyres are

clear of leaves before visiting a woodland or nature reserve.

There are several ways to get in touch with the Forestry Commission if you suspect you have seen an infected tree in Dorset.

To report your sighting and up-

load a picture, visit [www.forestry.gov.uk/treelalert](http://www.forestry.gov.uk/treelalert) or you can call 08459 335577.

DWT also warn not attempt to tamper with or cut down the tree, as the Forestry Commission are still carrying out research to iden-

tify different strains of the disease.

In addition to reporting and sightings to the Forestry Commission, DWT are asking members of the public to contact them on 01305 264620 if they see any infected trees on DWT land.

## Beach party fundraiser

■ CUSTOMERS at Bridport's Co-op supermarket were given a taste of a tropical summer beach party by staff.

The antics were all in aid of the store's charity of the year, Carers Trust.

So far this year Co-op staff at the Sea Road North supermarket have raised more than £2,000 for the charity, which supports people who devote

significant time to caring for loved ones.

The organisation has set a target of £2million to be raised nationwide.

Store manager Rob Garland said he was thrilled with the dedication of his staff.

He said: "I'm really thrilled with all the staff – they are a fantastic bunch."

"They have been shaking

buckets to raise money today. It's going really well."

"We also raise money for the Dorset and Somerset Air Ambulance in the store too and have raised more than £1,800 for them."

Staff are pictured above in beach party mode at the Sea Road North branch of the Co-op supermarket.

# Two days of live music in Bradpole

MORE than 75 musicians gave their time for free over a two-day festival of music in Bradpole.

The 'Event 4' fundraiser opposite The King's Head raised cash for two causes – street children in India's Kolkata (Calcutta) and Bridport Carnival, who collect money for local causes.

Fel Moore, who organised the event with his wife Val, said: "We have more

bands than ever playing this year.

"My daughter got involved with Don Bosco Ashalayam, which helps street kids in Kolkata, and now we are national agents for them."

The two-day event saw visitors come from as far as Oxford to watch the likes of Mitch Norman, Sketchy and No Country for Old Men perform.

# Hospital programme big help to people with breathing difficulties

PEOPLE with breathing difficulties have had their condition 'improved enormously' by a treatment programme at Bridport Community Hospital.

Launched a year ago, the course of pulmonary rehabilitation sessions have resulted in patients being able to lead more active, fuller lives after just eight weeks.

Designed for people with chronic lung conditions, the weekly two-hour sessions consist of an assessment by a specialist

physiotherapist or nurse, followed by six weeks of twice weekly attendance for gentle exercise and education.

Helen Persey – manager of the programme – said that hard data as well as observations backed up the claim that people's lives were being improved by the scheme.

She said: "We carry out walking tests and exercise tolerance tests on people before and after the sessions and by the end their

condition has improved enormously"

People who have completed the sessions are often able to work in the garden again or walk upstairs – everyday tasks they were once unable to do without getting into breathing difficulties.

Courses are currently taking place at Bridport Hospital.

To be considered for a future session, contact your GP or phone Carolyn Walsh on 01202 443738 for details.

### Hypnotherapy can help improve sleep and your health

**ACCORDING** to recent medical research, regular fulfilling sleep can reduce the risk of cardiovascular disease (CVD) and primary hypertension in the same way that exercise, healthy diet and quitting smoking can.

A recent study published in the European Journal of Preventive Cardiology found that people who enjoy a relaxing night's sleep can significantly reduce their chances of being affected by cardiovascular disease. If this is combined with a healthy lifestyle, results showed that people have a 57 per cent lower risk of CVD both fatal and non fatal

and are 67 per cent less likely to die from the illness.

In response to these latest findings Michelle Hague a professional Clinical Hypnotherapist and International lecturer with The London College of Clinical Hypnosis is focusing her attention on sleep disorders and primary hypertension and has decided to highlight the effectiveness of clinical hypnotherapy and mindfulness to help those suffering with sleep disorders.

The London College of Clinical Hypnosis in partnership with The University of West London train all their therapists to assist individuals presenting with sleep disorders and help them make those important life style changes, that can so seriously affect their health. The British Society of Clinical Hypnosis, which is made up of qualified and professional hypnotists, supports all its members who can help clients to learn techniques to help themselves relax and fall to sleep more easily.

"The findings of this new research are indicative of how important sleep is and the effect it can have on individuals health and well being."

The BSCH is made up of hypnotherapy professionals and is committed to ensuring the highest possible professional standards amongst its members.

Those looking for assistance to stop smoking, weight control, anxiety, panic attacks, habits and phobias may be helped by their local BSCH accredited therapists, look for the MBSC letters after their name on their websites, or check out your local therapist online at [www.bsch.org.uk/Finding.htm](http://www.bsch.org.uk/Finding.htm) As one of the largest registers of independent Hypnotherapists, the British Society of Clinical Hypnosis (BSCH) is actively involved with the Complementary and Natural Healthcare Council (CNHC) and strives to develop standards for the benefit of the profession, now and into the future.

The London College of Clinical Hypnosis is now teaching new students in Taunton, and enrolling now for the next certificate course, which starts in September if your interested in the course please contact 01297 20144 and [www.lcch-taunton.co.uk](http://www.lcch-taunton.co.uk)

# Stuffed pike becomes 'legacy giving' symbol for Bridport cancer charity

WHEN one of Bridport's most popular charities inherited a stuffed fish in the estate of a supporter, they decided to put it to good use.

Now the pike – which is in excess of two feet long – has become the symbol of legacy giving for Cancer Research UK, appearing in the charity's East Street shop.

Legacy giving – in which a good cause is named as a beneficiary in a will – is a vital part of the charity's fundraising, accounting for a third of its income.

Encased in a display cabinet depicting a river scene, the pride of a mystery angler is now on display in the shop.

It is there to remind people of Cancer Research UK's offer to assist anyone over 55 years old to draw up or amend a will free of charge.

Local solicitors taking part in the scheme include Nantes, Kitson & Trotman, Battens, Mustoe Shorter, Porter Dodson, Pengillys, and Humphries Kirk.

Cancer Research UK's South West Legacy Manager Ros Fry said: "Gifts in wills fund a third of the research we do to fight cancer.

"They allow us to plan for the future and continue to lead pioneering research, so that future generations have longer, happier and healthier lives.

"That's why we have teamed up with local will writing solicitors to offer this free service.

"Most people who use the service leave a gift for our work but they do not have to.

"More people are beating cancer than ever before. We've seen survival rates in the UK double over the past 40 years.

"For leukaemia, they've quadrupled. And the chance of a child surviving cancer has tripled since the sixties.

"So much of this progress simply wouldn't have been possible without people remembering us in their will.

"However, with over 200 different types of cancer and the number of people being diagnosed with the disease continuing to rise, we have so much more to do."

For details of local solicitors offering the free wills service contact Ros at [ros.fry@cancer.org.uk](mailto:ros.fry@cancer.org.uk) or 01308 423805.

You can also find more details online at [www.cruk.org/legacies](http://www.cruk.org/legacies)

## Balsam battle

AN OFFICER from the Environment Agency joined forces with the Probation Service's Community Payback Scheme to eject an unwelcome foreign invader.

The pair were tackling Himalayan Balsam – an invasive, non-native plant which is threatening the natural environment around a pond at Bridport.

The pond is part of an environment improvement scheme at Gundry weir on the River Brit, where the EA is working to install a fish pass.

Himalayan balsam grows up to 10ft (3m) tall and has colonised large areas beside rivers and woods throughout Britain, smothering indigenous plants.

Roger Genge from the EA worked with the scheme, which allows people to do community service as opposed to serving a prison sentence or paying a large fine.

The participant helped remove large, dense patches of Himalayan Balsam that are colonising the area.

The CPS carries out a range of environmental projects and, with help from the CPS team supervisor, Graham Metcalfe, the group were able to get stuck in and clear all round the pond.

Himalayan balsam (also known as Indian balsam) originates from Asia. Introduced as a garden plant in the early 19th century, within a few decades it had escaped into the wild and has spread rapidly threatening many habitats.

Roger Genge of the EA said: "The team removed large sections of Himalayan Balsam from this site, but our aim is to have the whole site clear.

"The team worked really hard to remove the invasive species and considerably contributed to improving the environment in the area."

## Youth band gets the square dancing

■ A CONCERT by young musicians got visitors to Bridport on their feet when they played in Bucky Doo Square.

The 50 members of The Lions Youth Brass Band – aged between 11 and 19 – gave the concert in the town centre after touring Dorset.

Donations flowed in during the performance allowing the Lions to raise more than £185 for local causes.

The couple dancing are Jane Shrom and daughter Naomi from Pennsylvania, who were visiting Uncle Tom (Wanless) in Bridport.

■ Yasu and Taki Endo

## Taki returns to Bridport on her honeymoon

A FORMER member of a Japanese exchange programme has returned to Bridport – on her honeymoon.

Organisers of Bridport's Japanese Exchange Programme were surprised when Taki Suzuki turned up out of the blue, all the way from Tokyo.

Taki visited Bridport in 2005. Seven years later she is back – with a new surname – Endo – and new husband Yasu.

Their honeymoon has taken in Rome, Paris, London and, of course, Bridport. Taki made the special trip to meet up with friends made on the programme.

She said: "I really love Bridport.

I made a lot of friends here, and I want to introduce my husband to my Bridport friends and take him to the special places I remember, like the cliffs at West Bay. So many good memories."

By chance Taki and Yasu's visit coincides with the arrival of the group of young Japanese who are beginning their own exchange.

Taki, a graduate of the same high school, spoke to them of her experiences on the programme.

She said: "Tokyo and Bridport are very different places, and though the people are different in some ways, there are many ways that we are the same. On this pro-

gramme young people have good experiences that can affect their future lives."

Taki and Yasu will soon return to Tokyo, where they teach in different schools but have promised to come back for another visit some time soon.

Now in its 16th year, the exchange programme between Bridport and Tokyo is organised through the Bridport Young Persons' Action Trust (BYPAT) charity and the Koyamada Educational Foundation.

■ THREE appliances from Bridport and Charmouth attended a fire at Higher Elwell Farm at around 2pm on Sunday, writes MIKE MAY.

The fire was reported by two passing cyclists, who were praised by the fire brigade for their prompt action.

When the appliances arrived the fire had taken hold of a small barn, causing several explosions as tractor tyres ig-

nited and the roof collapsed.

Using water drawn from a nearby lake the firefighters managed to stop the blaze from spreading to nearby hay barns and horse stables.

Although the barn had been completely destroyed, along with a vintage tractor, a shovel loader and other agricultural equipment, thankfully no injury was reported to either people or the horses.

### LIVING THE HIGH-LIFE

AJ Holmes & The Hackney Empire to perform at Electric Palace's new club night

FOLLOWING frequent demand for more dance nights, Bridport's Electric Palace opens its doors for a diverse new club night, 'High-Life'. On Saturday, August 31st BBC DJ Lopa Kothari brings her eclectic mix of sounds from around the world to the Electric Palace for this very special opening club night. She will be joined by Afro-pop outfit AJ Holmes & the Hackney Empire for an unmissable live set of global grooves.

From the depths of Hackney come a five-piece band that are taking over the world with their unique blend of Afro-pop with a home-grown British sensibility. They are AJ Holmes & The Hackney Empire, and have been described by the music press as "the ultimate Afro party disco machine". Fusing African influences with classic London narratives in the vein of Ian Dury and

Squeeze, AJ Holmes & The Hackney Empire have created a feel-good soundtrack for 21st century tropical pearly kings and queens! 'Wedding' is their electrifying debut release, influenced by London's rich cultural melting pot creating a union of cultures; where Africa meets London and falls in love! It embodies AJ Holmes' mad professor genius, who fuses wildly different genres of music together so deftly hand that you'd think they had always walked hand in hand. AJ's partners in crime (bass player Abi, drummer Ged, guitarist Martyn and vocalist Sabine) are the 'The Hackney Empire'; a multi-cultural tribe of uber-talented musicians who bring even more colour to a fluorescently bright palette of sounds. Following support slots with David Byrne and appearances at Secret Garden Party, Big Chill, Lovebox and Thames Festival, whilst also rocking the stages of the Royal Festival Hall, Islington O2 Academy, The Olympic Park, BT London Live and Gulbenkian Lisbon, AJ Holmes & the Hackney Empire now come to raise the roof at Bridport's Electric Palace to launch their new club night 'High-Life'.

Lopa Kothari from BBC's 'World on 3' brings her eclectic mix of sounds from around the world to the Electric Palace, with exclusive sessions and concerts by leading musicians in world music. Lopa gave up a high-flying career in investment banking to indulge her love of music and as a result has enjoyed a range of careers as diverse as the CDs on her bookshelf. Recently she presented for Radio 3 World on your Street stage at WOMAD.

Rounding off the night, DJs Highlife Sound System present a throw-down of global roots and culture - perfect for a late night, late summer party!

Entry is £5 on the door. Doors open 9.30pm, and the club night goes on until 2pm.

### LYME FOLK WEEKEND - IT'S HERE!

BANNERS are up. Programmes are out (and about). And Lyme Regis is readying itself for its very first, very own Lyme Folk Weekend.

The organizers are predicting packed houses for Turn Brakes on Friday, The Albion Band on Saturday and Spiers and Boden on Sunday nights at Marine Theatre. The headliners are pretty impressive, but the so-called "support" acts are hardly slouches. Radio 2 Folk Awards winners, Kathryn Roberts and Sean Lakeman, and Emily Portman will be strumming their stuff on Friday and Sunday nights. And Martin Carthy and Dave Swarbrick will also be playing on Sunday evening, reminding us of their iconic status. Jackie Oates, nominated as Folk Singer of the Year by Radio 2 last year and Jim Causley, described as "having one of the finest folk voices in the country" will also be playing on Saturday afternoon.

In the Pilot Boat, over twenty acts will perform over

**Martin Carthy**

**Blind Willies**

the weekend including, from the USA, the Blind Willies, stopping off during their European tour, as well as home-cooked talent, such Stompin' Dave Allen, Slipstream, the RPMs, Linnet, Hunt & Robertson and more.

But, as Julie Sheppard, the festival's publicist said: "Perhaps the weirdest act will be Airport Contention (claiming to be the only Fairport Convention tribute act) which includes amongst them one of our very own organisers-in-chief. He tells me they'll be joined on the Pilot Boat stage by members of Turin Brakes. Now, do I look that gullible - or could that actually happen?"

Detailed programme information on [www.lymefolk.com](http://www.lymefolk.com) or pick up a free programme from Marine Theatre, TIC and the Festival Office on Marine Parade. Tickets for all Marine Theatre gigs are available online until close of business on Thursday 29th or from Lyme Regis Tourist Information Centre on 01297 442138. Day tickets for the Pilot Boat are £5 on the door.

All of these Canucks perform their own set, side-by-side, on their debut UK tour of The Lumberjacks.

Stewart, Craig and Glenn are at the top of their

comedy game right now. They each have their refreshingly contrasting styles, but you can see them come together and perform their own uniquely individual material on the same night. With something here for everyone guaranteed, the audience is in for an eclectic and exciting show.

The trio will perform at Bridport's Electric Palace on Friday, September 27th. Doors open at 7.30pm for 8pm start.

Tickets for the show cost £17 and are available online at [www.electricpalace.org.uk](http://www.electricpalace.org.uk) or from Bridport TIC (01308 424901)

## War and It's Impact Explored at Bridport Arts Centre

BRIDPORT Arts Centre is bringing three theatre shows and two spoken word events to the Marlowe Theatre stage, each dealing with issues surrounding war. From a celebration of Benjamin Britten's 'The War Requiem' to Casualty star Catherine Shipton in 'Soldiers' Wives'; each performance will be thought provoking and moving. Additionally the Arts Centre is pleased to be able to offer a range of concessions and offers for ex/ serving members of the armed forces and their families.

Programme Manager Margie Barbour said: "War and it's impact on soldiers', their families and civilians caught up in the maelstrom of armed conflict are powerful themes that will have great relevance next year.

"Bridport Arts Centre is bringing a selection of plays and writings looking at war to prepare us for the deluge of commemorative events that will take place in 2014 for the centenary of the start of the First World War and will help us see these terrible events with a contemporary perspective".

The season starts with **GI Joe in Dorset** on Friday, September 20th, at 7.30pm. The theatre show focuses on the lives of the African American GIs who arrived in Dorset before the D Day landings in 1944. It's a story of war, prejudice and redemptive love that draws on documented stories to reveal secrets, lies, laughter and hope. Tickets are priced £8 for adults, £7 concessions, £3 for people receiving benefits or ex/serving members of the armed forces and their families.

Catherine Shipton, best known for playing Duffy in Casualty will take to the stage on Saturday, October 5th, at 7.30pm with **Soldiers' Wives**. Set in the present day it tells the story of five wives living on an army base somewhere in England. It explores the risks of

active service for the men on the frontline and the women who choose to support them. Tickets are priced £12 adults, £10 members, £8 concessions. Bridport Arts Centre is pleased to be able to offer all servicemen and their family's tickets for £6.

**Every Mother's Son**, on Friday, October 11th at 7.30pm, looks at war through the eyes of a family whose sons is going to serve in the armed forces. It's a play that starts in the leafy lanes of Devon and ends up in the dusty dirt roads of Afghanistan, it embraces the frictions and fun of family life familiar to us all but made all the more intense when lives are on the line. Tickets are priced £8 Adult and £6 members, concessions and members of the armed forces.

**Poems of War**, Monday, November 11th at 11am, will be a commemoration of Armistice day with readings of a selection of poems, mainly written by soldiers serving in the first and second world wars. Expect idealism, graphic descriptions of the horrors of war, black humour and sly eroticism. Tickets are priced £5 adult and £4 concessions, all proceeds will go to Help for Heroes.

Finally the Arts Centre will stage **Benjamin Britten's Centenary Celebration** Sunday, November 24th, 2pm. Anthony Pither and John Barholomew will come together to talk about 'The War Requiem'. The musical piece was not meant to be a pro-British piece or a glorification of British soldiers, but a public statement of Britten's anti-war convictions.

## Somtum Thai Café & Take Away

**TUCKED at the bottom of West Street in Bridport you will find a hidden gem in the form of Somtum Thai Café & Takeaway.**

Somtum is a family run restaurant and take away, open every day for one of the most reasonably priced lunches around, and for take away only in the evenings.

The lunch menu boasts outstanding value for money, with three courses for just £7.95, or alternatively, a one course quick lunch for just £5.95. It's not just the price that is great either; the quality of food is also outstanding. The food is freshly prepared, vibrant, authentic Thai cuisine, which leaves a lasting impression on the taste buds. The owner, and highly experienced Thai chef, Rojjana, lovingly prepares it all.

Rojjana is no stranger to Bridport, having lived in the town for thirteen years, but only recently opened Somtum in March of this year. She comes from Sakonnakorn, in the North East of Thailand, where cooking was a way of life. Having moved to England she ran her own business in Gloucestershire before moving to Bridport and spending ten years working as a chef in a Thai restaurant.

Somtum Gai Yang

The Thai Café and Take Away is named after a traditional food in Thailand, that Rojjana is particularly fond of herself. Somtum can be found on the menu, in the form of Somtum Gai Yang, and uses green papaya, which is particularly difficult to source in this part of the world, but Rojjana has it delivered specially.

Everything at Somtum is home made, (including the wonderful tamarind, and sweet and sour sauces, to name but two) with local, fresh ingredients that are quickly cooked to preserve their nutrients and delicate flavours. Rojjana uses traditional herbs & spices to create unmistakable, authentic Thai flavours, with no artificial flavours or colourings.

Rojjana's North Eastern Thai roots and her hometown heavily influences the menu, so those wanting to taste traditional Thai cuisine can enjoy authentic dishes such as Larb. Larb is a traditional North Eastern Thai style salad with Pork, Chicken, or Duck, mixed with fresh herbs, chilli flakes, lime juice, and fish sauce.

You can also choose some sticky rice, cooked in the traditional way from North Eastern Thailand, which goes particularly well with Somtum Gai yang, and

any form of Thai chicken curry!

The most popular dishes include the Somtum Thai mixed platter to start, which comes with Thai spring rolls, chicken satay, prawn toast, and prawn tempura, and a selection of sauces, and of the main courses the roasted duck breast, on crispy rice noodles with tamarind sauce, as well as the traditional Thai green curry, remain ever popular.

All customers are met with a warm welcome from the friendly staff, who are more than happy to explain what the dishes consist of to those who are more unfamiliar with Thai cuisine.

The restaurant is currently only open between 12-3pm for eat in meals, although they are looking to open in the evenings in the near future, but you can make the most of the take away or delivery service from 5-11pm every day. Delivery is free to anybody within a 3 mile radius, with a minimum order of £30.

◆ Cut out the voucher on page 21 and enjoy 10% off your take away at Somtum on collection only, call 01308 420004 to place your order.

## The Kamikaze 'Banzai Charge'

THE valleys around Mapperton Farm, Beaminster, Dorset, will echo with the collective 'Banzai' roar of 500 hundred adventure runners taking part in the Kamikaze Banzai Charge on Sunday, September 8th. The event offers an eight mile cross-country course, complete with challenging obstacles engineered to test fitness, nerve and determination of all those who don the Kamikaze headband.

Now in its sixth year and renowned as the one of the toughest, and yet the most fun one-day endurance events in the UK, Kamikaze competitors throw themselves down Banzai slides, across rope swings, into bogs, and rivers and over obsta-

cles in the quest to become the coveted 'Banzai master'. All those successfully negotiating the 'Valley of Doom', the balance beam wet sponge throw, The Rope Tangle, and the 8ft 'Tour of Grease' among other obstacles and completing the course, will receive finishers medals as testament to their achievement.

Event organiser, Ben Mason from Votwo says; "This event has built a reputation for being a muddy good day out! This year we have been busy creating an even more energy-sapping course to test the metal of returning Kamikaze warriors. Previous competitors have described the Kamikaze as 'physi-

cally demanding but totally awesome at the same time' and some said 'the most fun they had EVER had during a running event.

Facilities include free on site car parking, great spectator viewing, hot food and drinks from the Votwo cafe, music and race commentary. All competitors receive a Kamikaze headband to wear bearing their race number. Teams and individuals are welcome.

To register for the event or to find out further information on the Kamikaze Banzai Charge or any other Votwo event visit [www.votwoevents.co.uk](http://www.votwoevents.co.uk). The location is Mapperton Farm, Beaminster, Dorset, DT8 3NS

#### Trainer's comments

Looking at the results, Rob has managed to lose just over 2 and a half stone in 12 weeks which is incredible. We are really pleased with the transformation especially as when he started his BMI and Blood pressure was dangerously high. We have now managed to get his blood pressure into the normal category and his BMI has been brought down significantly. Rob has worked really hard for the last 12 weeks but these results are achievable to anyone, he worked out for an hour around 4 - 5 times a week and made slight changes to his lifestyle.

#### Rob's comments

"It was hard work but I am so happy with the results I have achieved. I never would have thought that these results were possible in just 12 weeks. I would like to thank the personal trainers Luke, Mike and Nicole for pushing and advising me so I got the results I wanted"

## Taunton Sinfonietta come to the Arts Centre

THANKS to generous funding from Bridport resident and sponsor of the arts, Alan Williams, the Taunton Sinfonietta will make the first of two visits to the Bridport Arts Centre on Sunday, September 29th at 3pm. The concert will feature the beautiful but rarely heard Concerto for Oboe and Small Orchestra by Richard Strauss, as well as the ever-popular and haunting Lark Ascending by Vaughan Williams. For these super-romantic pieces some of the finest wind players in the South West will augment the orchestra, which normally performs as a string ensemble. The soloists for Strauss and Vaughan Williams are two international performers, Oboist Lynn Carter and Violinist Mary Eade. Both have spent many years performing abroad and in the UK and have a wealth of experience as soloists.

The prestigious Taunton Young Musician Competition attracts some of the UK's finest young performers. Last year's Taunton Young Musician winner Edward Creed will perform the sparkling first movement of Mozart's Piano Concerto in F Major. Rounding off the programme is Mozart's masterpiece, his Symphony 40 in g minor - a veritable feast of fabulous music!

Tickets are available at the Arts Centre, (01308 424204) and make a diary note for November 10th for another Sunday afternoon treat featuring Menuhin School young cellist Sarah Paddy playing the Haydn Concerto in C, with romantic works by Elgar also in the programme.

# Business as usual at Fortnam Smith and Banwell

## Goodbye Lisa, welcome Rosie, congratulations Judy!

**FORTNAM** Smith and Banwell, the well established and long trusted independent estate agency in the heart of Charmouth, is pleased to introduce a new negotiator and to celebrate the promotion of a long-standing staff member.

There have recently been a few changes within the small yet highly efficient team of four. Negotiator, Lisa Clarke has returned to her roots in Buckinghamshire and her role filled by Rosie Thoennissen, a bright 23 year-old university graduate. Already studying to achieve qualifications in estate agency with the NAEA (National Association of Estate Agents) and proving to be an excellent asset to the agency, Rosie loves being part of a close knit team and thrives on meeting new people.

Sarah Newman and Judy Fellingham are both well-known faces at the agency. Sarah, with her 10 years experience and wealth of knowledge in the local property market, continues her role as senior negotiator on a part time basis while Judy, having worked at the agency full time for the last seven years and with proven managerial capabilities and experience, has recently been promoted from senior negotiator to branch manager.

Teresa Noel, director and owner of Fortnam Smith and Banwell in Charmouth, has extensive experience spanning many years in estate agency, both in the UK and overseas and is delighted with the changes. Teresa said: "It was really sad to say goodbye to Lisa, as she was an integral part of our team and we wish her well. Judy

is very much deserving of her promotion and we're all very pleased to welcome Rosie – it's great to have her with us; she is an asset to the company and perfectly complements the team with her adaptability, astuteness and warm, sunny personality."

The firm continues to grow from strength to strength. Teresa continued: "We offer an excellent independent local service; one our corporate competitors struggle to compete with on levels of service and local knowledge, and are proud to assist our clients right through from instruction to the completion of their sale. Some may have seen that the building is up for sale, but we're not going anywhere - we have a secure tenancy agreement so it's business as usual for now and into the future."

All three branches of Fortnam Smith and Banwell are members of the Property Sharing Experts network. Working together and with nearly 80 other estate agency offices throughout the South West, Fortnam Smith and Banwell provides unrivalled in-office and on-line marketing exposure for its client's properties as well as a specialist service for unique and exceptional properties via the newly launched Distinctly Westcountry brand.

## All-new Škoda Octavia scoops another award

- All-new Octavia honoured by WeLoveAnyCar.com
- Website also votes ŠKODA best manufacturer
- Octavia earns praise in Next Green Car awards

ŠKODA's critically acclaimed all-new Octavia has only been on sale for a few months but it's clearly going to need its own trophy cabinet.

Hot on the heels of being voted 'Tow Car of the Year', the ŠKODA Octavia has taken class honours in the National Car Awards from reviews website WeLoveAnyCar.com. It was voted 'Best Large Car' by users, more than 58,000 of whom took part to rate hundreds of models from more than 40 brands. Ratings are based on economy, comfort, reliability and driving excitement.

ŠKODA as a brand also performed exceptionally well. It was voted 'Best Overall Manufacturer' and 'Most Recommended', as well as being 'Best Diesel' marque.

Meanwhile, the all-new Octavia has also earned a 'Commended' honour in the Next Green Car Awards 2013. In the 'Large Family' category the 1.6-litre TDI diesel earned praise from the judges.

Next Green Car uses its unique Green Car Rating to rank vehicles on seven different exhaust emissions, not just CO2. Available as a Hatch or Estate, the third generation ŠKODA Octavia has

CO2 emissions as low as 99g/km and fuel economy as high as 74.3mpg. It's packed with 'Simply Clever' driving solutions and, priced from only £15,990, is outstanding value for money.

## Classic car owners invited to celebrate motoring on Drive Your Classic To Work Week

CLASSIC car owners are invited to join in a week-long celebration of motoring this September for this year's 'Drive Your Classic To Work Week', backed by Heritage Classic Car Insurance and Classic Car Weekly magazine.

The week will kick off at the Beaulieu International Autojumble on 7th and 8th September before the working week starts. It will finish with Goodwood Revival on the 13th, 14th and 15th September.

Chris Wilkinson, Senior Partner of Heritage, explains: "This initiative is about maximising the last of the summer season and helping people use their classics to the full, prior to the onset of the autumn. These

cars are meant for the road, not the garage, so it's a great way for owners, and fellow motorists, to enjoy these classics in action."

Classic Car Weekly editor Dave Richards added: "We want classic car owners to join with us in this national celebration of the classics we love, and get their car on the commute, the school run and their trips to the shops!"

Owners wishing to get involved can pledge their support and claim their commemorative window sticker can register via the Heritage website [www.heritagequote.co.uk](http://www.heritagequote.co.uk). Heritage is also keen to hear from owners who already use their classic for their daily drive.

## Ultra low insurance confirmed for MG3

THE new MG3 has been awarded a class leading Group 4E insurance rating – making it the cheapest supermini to insure with this level of style and performance features.

It will be particularly good news for young drivers who usually find the cost of car insurance prohibitively high.

But all customers will find that the new 106PS MG3 costs a lot less than similarly powered cars, has class-leading chassis and driving dynamics making it great fun to drive and the big, big bonus of ultra-low insurance ratings.

The stylish MG3 goes on sale in mid-September and pre-order deposits are being taken now. Prices range from £9,999 for the highly equipped top-of-the-range MG3 3STYLE to £8,399 for the MG3 3TIME entry model.

But the exciting MG3 has not compromised on power or dynamics to achieve the low insurance rating. The MG3 has a healthy 106PS power output, offering considerably more power than many of its competitors.

Despite being great fun to drive, the MG3 sits in the same insurance group as much lower powered models including: the 1.2-litre 84PS Hyundai i20 'Classic' which costs £9,995; the 1.2-litre 60PS VW Polo 'S' which costs £11,395 and the 1.0-litre 69PS Toyota Yaris 'T2' and 'TR' models which start at £10,695.

The new MG3 is also in a much lower insurance group than most similarly powered cars such as many Vauxhall Corsa models (Group 8 and 9) and many VW Polo models (Group 9).

Andrew Lowerson, MG's Product Manager, said: "We've made a car that's very affordable, fantastic fun to drive and probably offers more personal styling options than any other car in its class. Now the low insurance groups have been added as the icing on the cake – it's great news.

"Only the MG3 can offer these levels of style, features and personalisation with such a low level of insurance."

All MG3 models benefit from signature front LED daytime running lights, electronic hill hold as standard, with all but the entry model featuring a high quality DAB audio system. The sporty exterior style conceals an interior that offers one of the largest and most spacious cabins in the supermini class. With six airbags, electronic stability control, corner brake control and traction control, a full suite of the latest technology safety equipment is standard on all MG3s.

But a key attraction for many people will be the fun that can be had in creating a model to their particular taste and style thanks to a huge range of colours, exterior graphics, interior colour packs and part-leather upholstery available. The whole range has been created by the UK design team and inspired by the British fashion industry.

There are four models of MG3 to choose from and a full range of options and accessories priced as keenly as the car itself, to ensure that specifying and buying an MG3 is as much fun as owning and driving it.

## Brand new plate, fantastic rate!

- Chevrolet offers 0% APR Representative finance on selected models
- Great '63'-plate deals on Spark, Aveo, Cruze and Orlando
- Customer savings of up to £1,585 depending on model
- Competitive Fixed Price Servicing adds to value proposition

WHILE dealers are expecting to see plenty of interest in Chevrolet's fresh and funky model range in one of the car industry's busiest months of the year, the interest won't be on the finance packages – at least not for retail customers looking to buy a Spark, Aveo, Cruze or Orlando.

The American brand has some extremely tempting zero per cent APR representative finance packages available across its popular smaller models ready for 63-plate September.

The offers mean a customer can come into a participating Chevrolet dealer and drive away in a brand new Spark from £99 a month (with a £1,805 deposit or part exchange), including customer savings of up to £950 as part of the offer with zero per cent APR representative over five years.

Zero per cent APR representative is also available on the Aveo, with customer savings of up to £790 against the list price. With a deposit or part exchange of £1,855, 63-plate buyers can drive away in an Aveo 1.2LS from £139 a month, again with zero per cent APR Representative over five years.

The mid-size Cruze Hatchback is also available with zero per cent APR representative – drive away from £179 a month with a £2,455 deposit for the 1.6 LS. For those who want the added practicality of a Station Wagon, the styl-

ish Cruze variant can be driven away from £199 a month with a £2,755 deposit, and there are customer savings of up to £1,585 across the Cruze range, all over a five year term.

Customers looking for added family practicality should take a look at the Chevrolet Orlando. Bucking the trend for plain styling in the MPV market, the distinctive seven seater is available with customer savings of up to

£925, while the popular 1.8 LS model can be driven away from £230 a month with a £3,048 deposit over five years, again with zero per cent APR representative\*

What's more, Chevrolet is committed to keeping running costs to a minimum. All of the cars in the zero per cent APR representative finance offer can benefit from Chevrolet's fixed price servicing at just £349 for three years or 30,000 miles, or £625 for five years/ 50,000 miles (whichever occurs first). The popular Captiva SUV can also benefit from fixed price servicing at £449 for three years/30,000 miles or £825 for five years/ 50,000 miles (whichever occurs first).

All offers are valid until September 30th at participating Chevrolet dealers.

## Seat online tyres: changing rubber has never been so simple

SEAT has launched an innovative online tyre ordering service that makes changing rubber more simple and cost-effective than ever.

Online tyre ordering, available through [seat.co.uk](http://seat.co.uk), simplifies the process of getting a new set of tyres by bringing everything together in one place.

With a database that covers all makes and sizes of tyre, the innovative web tool scores over 3,000 of them on a monthly basis, rating them for price, fuel economy, wet grip, stopping distance and noise.

Using this information, the tool recommends a selection of suitable tyres for any customer that inputs their car details into the system. This selection can then be refined in a number of ways, including by make and price or by any of the EU labelling properties of fuel economy, wet grip or exterior noise.

It means a tyre change can be arranged online, from the comfort of the home or office; all a customer need do is type in their car registration, and the system will do the rest.

An all-inclusive cost of each set of tyres is shown, meaning that there are no hidden charges for the customer – it includes fitting, valves, balancing, disposal of old tyres and, of course, the price of the tyres themselves. Ordering is then as simple as a few clicks.

And despite the simplicity of this service, and the reassurance of main dealer service and fitting, SEAT's online tyre service is extremely good value.

Prices begin at around £40, and currently a Michelin Energy Saver suitable for a SEAT Mii costs £59 fitted, and inclusive of all the above.

John Deed, Service & Parts Programme Manager for SEAT UK, said: "We're really proud of the online tyre service, which we worked hard to make as simple and convenient as possible – much the same as our It's Fixed! servicing programme.

"With online tyres, we're giving all SEAT drivers the right tyre, at the right price, right now. Once again SEAT has proved that main dealer service and mainstream brand quality needn't cost a fortune; it is programmes like the online tyre service that make owning a SEAT such a joy."

Online tyre ordering is found at [www.seat.co.uk](http://www.seat.co.uk), and it follows the hugely successful launch of SEAT's It's Fixed! servicing scheme – which has now passed the 33,000 customer mark.

Like online tyre ordering, It's Fixed! helps make owning a SEAT as hassle-free and cost-effective as possible; a prescribed, easy-to-understand pricing structure that offers main dealer expertise and parts, but at local garage rates, is the basis of It's Fixed!

A minor service for any SEAT from three- to 15 years old costs just £129 including VAT, parts and labour, while a major service is £249 – and both come with 12 months of SEAT Roadside Assistance absolutely free, when booked online. A first year service is £169, and a second year service £189.

## Bowls round-up

# Long overdue title for Lyme Regis team

**LYME REGIS BC** with Paul Moffitt

FIRSTLY, congratulations to Paul Pomeroy, Paul Moffitt, Peter Eagles & John Eaton who won the final of the **Dorset 4s** at Dorchester on Sunday.

This is the first time Lyme has won this trophy since 1953 so it was long overdue.

All four were in good form from the start and quickly put their opponents, Wimborne, under pressure.

At 26-4 in favour of Lyme after just 16 ends Wimborne shook hands, not wishing to endure any further punishment.

In the league's the men had a good win away to Wellworthy but the ladies failed again against Dorchester.

There were five friendly's this week with Lyme managing three wins, one loss and one draw.

The Club entertained Winchester on Sunday, one of the highlights of the bowling calendar.

**BRIDPORT BC** with Stuart Broom

Mixed fortunes for Bridport men's teams. BRIDPORT'S A team have lost their way over the last four games of the season, sinking to fifth place in the in South Dorset League Division One table.

Although Barry Shortland, Keith Brooks, Brian Conisbee and Chris Thorne won 19-14 and Ben Jones, Brian Iversen, Keith Gentry and Bill Payne snatched a 18-17 win, the third rink went down 8-18 giving visitors **Weymouth & Melcombe** a 49-45 victory.

However Bridport B confirmed they will play in Division One next season by picking up eight points at **Portland Victoria** with a 55-40 success.

Ian Newitt, John Ireland, John Carter and Peter Scott went ahead on the ninth end and never looked back to win 23-10 while Craig Bosher, Bob Seadon, Paul Tibble and Fred Pomeroy came from 4-10 behind to win six ends in succession to finish 18-12.

Meanwhile Bridport Ladies County League Division One team recorded another 100 per cent success, away to **Sherborne**.

Frances Hewett, Alison Tibble, Rosemary Brooks and Sue Hosking trailed 8-15 after 12 ends but then won eight of the last nine ends to finish 25-16, while Delphine Street, Laura Taylor, Pat Cornick and Margaret Clapp went ahead after 12 ends and never looked back to record a 23-16 victory.

Gill Hunt, Barbara Iversen, Sheila Jones and Melody Watts recorded two counts of four shots on the 15th and 16th ends to go eight ahead which saw them through to win 21-18.

**BRIDPORT INDOOR BC** with Brian Baker

BRIAN Legg, Bernard Waterman and Mike Long's third placed Team G faced second placed Team E in the Evening League this week, but it turned out a non contest as Long's trio shot into a 17-1 lead, before going on to thump their opponents 29-7.

Tony Sharood, Edna Cumberland and Millie Meech's Team A were the big winners as they recorded the highest total so far this year annihilating Team L 39-4.

Viv and Roy Gill and Brian Baker's table-topping Team D needed a 4,1,2,2 finish to beat Team H 13-10, whilst at the bottom Brian Toms, Adrian Legg and Neil Stevenson-Guy's Team K kept Team B in the wooden spoon spot winning 16-8.

Mike Parsons, Pete Cowburn and Peter Hunt's Team C beat Team J 24-9.

Alan Barr, Brian Toms and Adrian Legg's Team G opened up a three point lead at the top of the Morning League; a one count on the last end giving them a point in a 12-12 draw against against Rose Everest, Lyn Craddock and Wendy Sym's Team C.

Mike Craddock, Peter Hunt and Brian Morgan's Team B dented Team A's hopes of honours, winning 15-6.

Team H (Jill Spinney, Chris and Brian Legg) beat Team E 14-6, while Team H with sub Arthur Stone, Lyn and Peter Sandall beat Team D 14-3.

## Sponsorship puts Evolution on target

BASKETBALL team Bridport Evolution were presented with their 2013/14 kit this week by new sponsor Shield.

Shield, who manufacture red dot reflex sights for the military and leisure shooting sectors, have been linked with the club for a number of years and currently employ 27 people locally.

The company's sponsorship has provided the club with a full team kit, including shooting shirts, complete with numbers and the new club logo.

The future looks bright for both the club, who are preparing for a new season in a new league, and Shield, who have just won another significant contract to support the UK military.

Director of Shield, James White, said: 'We have been associated with the Bridport Evolution basketball club for many years and we have always been happy to help where we can. I hope the new kits will give the whole team a boost and help them look the part when they take to the court next month.'

The kits also feature the new club

logo created by local independent business MT Designs.

Coach Tom Glover said: 'It's great to have the support of Shield once again and also to incorporate our fantastic new club logo into the kit.'

'Everyone in the team is really excited to get playing now and I think it has been a big morale boost for the

squad. Some players have even talked about getting the new logo tattooed onto them.'

Bridport begin their new season on Sunday, September 22nd at home to the Exeter Nomads.

The team train every Monday, 7pm at Bridport Youth Club, and new players are always welcome.

## Call for players - both new and old!

BEAMINSTER Ladies Hockey Club start a new season in a few weeks time, and are keen for any ladies interested and wanting to try hockey to come along during September to one of their training sessions.

The club has a mix of players from young to not so young, and from beginners to those with a bit more playing experience.

They would welcome ladies from age 14 and upwards (there really is no upper limit and they have players in their 40s and 50s currently at the club).

Training is free to new players during September, and all you have to do is turn up. Sticks and equipment are available for ladies that might not have played for a while.

It is a great way to keep fit and there are opportunities to play matches for those that want to, but if you are just keen to train then that is fine too.

The club has a 1st team that plays in a league each week and also a 2nd XI that play friendly matches on Sundays with other local clubs.

This season for the first time, the club are organising some seven a side tournaments so that new players can gain match experience that is fast paced and

friendly.

The club also runs a range of social events throughout the season.

The club have been given a grant this year from the WDDC Car Boot Fund to try and help them boost their numbers and promote themselves in the local community.

Some of the players have already been out and about at West Bay Day with

leaflets and also running a hockey challenge, and will be organising other events in the coming months to try and promote hockey in the area.

Training starts next Tuesday September 3rd at 6.30pm, and takes place on the artificial turf pitch at Sir John Colfox School.

Just turn up or call Sarah on 07811 172943 for more details.

## Briggs and Seed on top

**Lyme Regis Golf News**

KATHY Briggs scored an impressive 39pts to win the Lyme ladies stableford competition on Thursday

WRITES RICHARD JACKMAN. But there was a keen tussle for 2nd and 3rd as Emma Davies beat Hayley Rowland on count-back, both with 38 points.

The junior stableford on Saturday saw George Seed put in a commanding performance to score 40 points, from David Lyon 36 and Bradley Rowe 35.

The last week has been a maintenance week at the course, and with the hard work from David Everett and his team, we all look forward to even better conditions as many of the Summer competitions reach the final stages.

## West Bay Sea Angling Club

## Local angler wins lifeboat open

ADAM Cullingford ensured a local victory in the West Bay RNLI Open with a 1¾ kg conger eel.

The club hoped for better weather this year after the competition was cancelled last year due to severe flooding, and despite heavy rain that began a few hours before the start of the competition, it didn't stop 21 anglers, including three juniors and three ladies, from fishing.

The anglers were able to fish anywhere in West Bay or travel to Eype beach if they preferred.

Thankfully, the rain stopped around 7pm and even though some were soaked through, they persevered to the end before returning to the Salthouse at 10pm for the weigh-in.

The first lady back Lynn Mudford had caught a small pouting in the last few minutes of the competition which weighed 75g; not a heavy weight but in the conditions could have been a winning one.

However, word came back that a conger had been caught at Eype and finally West Bay SAC member Culliford appeared with his catch which gave him the win, the heaviest round fish and first in the super pool.

In all, eight competitors weighed fish in; species included dogfish, pout, rockling and conger eel.

1st: Adam Cullingford (Crewkerne) 1kg 980g, 2nd: Rob Marshall (Taunton) 1kg 710g, 3rd: Simon Skinner (Axminster) 1kg 245g, Top Lady: Lynn Mudford 75g, Top Junior: Connor Hallett 960g, Heaviest Round Fish: Adam Cullingford 1kg 735g conger eel, Heaviest Flat Fish: None entered so the competitors donated the prize money to the RNLI.

West Bay Sea Angling Club would like to thank all those who donated prizes for the competition, West Bay Water Sports and Style Tiles.

They would also like to thank all the competitors for turning out to support the event which raised a total of £170 for the RNLI.

DESPITE the fact that Weymouth have been relegated from the top flight, they are determined to end the season with a bang with the defeat of third placed Broadstone despite being a man short.

Unfortunately the same can't be said about Dorchester who were well and truly beaten by champions Parley.

The good news is that Cattistock, Bridport and Charlton Down are all assured of second spot in their respective leagues, whilst Broadwindsor have regained their Mid-Wessex League title.

### Dorset Funeral Plan League Premier League

#### DORCHESTER 104 ALL OUT

#### LOST TO PARLEY 316-9 BY 212 RUNS

WITH Dorchester short of players, skipper Dan Belt was forced to include a 14-year-old and two 15-year-olds against champions Parley on Saturday, but despite the depleted ranks it looked like they might get some success when they reduced their visitors to 130-6.

But a century from Parley skipper Rohan Embalagama changed that and with late contributions from Matt Stickland (31) and an unbeaten 37 from Alex Nippard they posted a total of 316-9.

Belt (1-60) and James Dunham (2-46) made early breakthroughs to leave Parley 13-2, but Tom Jaques (41) and Robbie Gunn (24) steadied the ship before Sam Goodhew (2-40) and Joe Power (3-82) ripped out the middle order to leave them in trouble.

However, Embalagama's 114 lifted them to a formidable total.

In reply, no one in the Dorchester team got to grips with the bowling of Sam Thomson (4-11) and Dom Clutterbuck (4-37) with Greg Holland top scoring with an unbeaten 19 not out as the county town were dismissed for just 104.

#### BROADSTONE 261 ALL OUT

#### LOST TO WEYMOUTH 279-8 BY 18 RUNS

WEYMOUTH produced the result of the day when they travelled to The Delfh with only ten men but came away with an 18 run victory.

Kieron Womble showed the way with an almost run a ball 41 before Dean Janaway produced a scintillating 73. With Will McKay (58) weighing in with a superb half century, the Seaside's amassed a challenging 279-8 in their allotted overs.

Dan Hutchens and skipper Matt Lawes gave the Broadstone openers plenty to think about; both picking up a wicket, before the ever reliable Dave Trotter (1-31 from 10 overs) and Ben Lawes kept the pressure on although James Brown (65) and Luke Carter (61) moved the hosts towards their target.

However, they could not overcome Ben Lawes (5-62); and despite late flourishes from three tailenders, it was his five-for that saw Weymouth home to an impressive victory.

### Division One

#### MARTINSTOWN 252-7 BEAT

#### MARNHULL 239 ALL OUT BY 13 RUNS

MARTINSTOWN were involved in an exciting match that saw them finally squeeze home against Marnhull by 13 runs.

There were some solid batting performance from the hosts with Sam Kershaw top scoring with 67 which included 10 fours and two sixes.

He was given good support from Ed Nichols (22), Jack James (32), Danny Dancer (24), Liam Banfield (25) and Ryan Chase (20 not out) as they reached 252-7 in their allotted overs.

The mainstay of Marnhull's reply was opener A Williams who was finally run out for a magnificent 135 just 13 runs short of their target.

He hit 10 fours and 11 sixes as he held his nerve as wickets fell around him. Fellow opener C Ralph (19),

◆ MATCH WINNER: Alex Lee took 6 for 33 as Bridport clinched promotion

T Elms (26) and E Ralph (21) gave him most support along the way as they threatened to reach their target when 208-5.

However, the return of the opening bowlers Chris Read (2-42) and Dancer (2-60) was well timed as they finally broke Marnhull's resistance.

Williams having cleverly farmed the bowling in an attempt to force the win, was run out to give Martinstown victory. Earlier Banfield (4-46) had got among the visitors top order.

### Division Two

#### COMPTON HOUSE 235 ALL OUT

#### BEAT BEAMINSTER 179 ALL OUT BY 56 RUNS

A LAST wicket stand of 59 was the main difference between defeat and victory for Beaminster on Saturday.

Having reduced Compton House to 117-6 they failed to clear up the lower order and the hosts finally posted a challenging 235 all out.

Beaminster won the toss and elected to field; the two-paced wicket with variable bounce saw opening bowlers Ross Baker (2-50) and Simon Jones (3-31) cause problems for Compton Houses's top order batters.

Two excellent catches by the nimble Nick David fielding at gully, and impressive catches from wicketkeeper Chris Lamb, who bagged a total of five catches, saw Compton House struggling on 117-6.

However, Beaminster's first change bowlers were unable to contain the middle order who went on the attack, and with three simple catches put down, runs began to flow with A Chick (48) and number ten R Bungay (44 not out) particularly destructive.

In reply, Beaminster lost Simon Jones for a duck as the Compton House bowlers bowled with aggression. Although Nick David (25) and Chris Lamb (26) batted bravely, runs were hard to score.

Once they were both dismissed, Julian Davies (38) and Baker (21) put on 54 for the fourth wicket as they took command and upped the scoring rate.

However, a brilliant catch by youngster Eckland at slip to dismiss Baker sparked a collapse, and although Hugh Rathbone made an entertaining 24, Beaminster never seriously threatened the Compton House total and were dismissed for 179 in the 42nd over.

### Division Three

#### CATTISTOCK 346-5 BEAT

#### BROADSTONE 3RD 188 ALL OUT BY 158 RUNS

CATTISTOCK thumped Broadstone 3rd's and with Dorchester 2nd's losing, it meant that they secured runners-up spot in Division Three.

The game was a triumph for Jon Legg who took his season's run total to over 800 with an unbeaten century before claiming 4-38 as the 10-man visitors crumbled from 157-4 after 38 overs to 188 all out to give Cattistock maximum points.

Batting first Legg and Billy Walbridge (11) put on 44 for the first wicket before Steve Tucker blasted a quickfire 69 with 7 fours and four sixes in a partnership of 113 with Legg.

Although the opener lost four more partners on his way to his ton, at 240-6 he found an ally in Buddy Langford (20 not out) who held one end up whilst Legg blasted his way to an unbeaten 164 not out in an unbroken stand of 106.

So savage was his assault that despite not having hit a six in reaching his ton, he then smashed five with only two dot balls.

Broadstone looked as if they might make a fight of it, with Keith Brewer leading the charge with 81, putting on 48 for the first wicket and reaching 121 before Brewer was dismissed.

Simon Goldsack (31) continued to edge Broadstone closer but eventually they collapsed under the pressure with Langford (2-20) and Lee Anderson (2-40) helping Legg and Cattistock to victory.

#### WEYMOUTH 2ND 112-1 BEAT DORCHESTER 2ND 109 ALL OUT BY 9 WICKETS

### Division Four

#### BRIDPORT 114-9 BEAT

#### BLANDFORD 2ND 112 ALL OUT BY 1 WICKET

BRIDPORT secured second place with this win with the news that Pimperne lost, but they almost threw it away themselves, limping over the line with the last pair at the crease.

The visitors decided to bat having won the toss, but were regretting it when Alex Lee bowled J Mitchell for a duck with the fifth ball of the innings.

However skipper A Day and S Tallent went for their shots, and soon had Bridport's captain Liam Toohill removing himself from the firing line as they took 22 off his first two overs.

However, Alex Lee responded by bowling Day for 45, and in his next over picked up three wickets in four balls to leave Pimperne 57-5.

Brother Ollie Lee (2-20) then claimed two wickets

◆ PROLIFIC: Cattistock's Jon Legg's 164no took him through 800 runs for the season

before Alex (6-33) claimed his sixth victim leaving the 10-man visitors 65-8.

But the last pair of J. Ford and D Abbott (25 not out) were determined to go out in a blaze of glory and they added 45 for the last wicket before Toohill reintroduced himself and had Ford well held in the covers by Cerne Iveson for 14 to end their innings on 112 all out.

Bridport didn't fare too well when they replied, losing in form Mark Smith (10) run out going for an impossible single, and Rod Gay (2) leg before wicket with 14 on the board.

Rob Condiffe (5) was also trapped in front his wicket before top scorer Toby Hall (23) was caught out by a reflex catch in the covers to leave Bridport 59-4.

The introduction of Day (5-20 from 9.2 overs) saw Toohill and Iveson fall to short balls that kept low, whilst the Lee brothers also received short balls which actually bounced but they were unable to control.

With Calvin Lewis also a Day victim, Bridport look in danger of losing the game at 78-9.

However, the last pair of Paul Stoneley (14 not out) and wicketkeeper Billy Browning nudged the ball around and ran well between the wickets to slowly edged the score up.

It was an unexpected wild ball from Day that went for five widesthat got bridport even closer before Stoneley glanced the ball down to fine leg for four for victory.

Toohill said: "The way Alex and Ollie bowled in the opening overs was brilliant, although we did let them get too many runs.

"The target of 113 should have been easy to chase down but we got ourselves into a muddle and we were very lucky we had Paul and Billy to see us over the line.

"With only one wicket left the boys knew they couldn't afford to attack and go for boundaries; they just defended the good balls and worked the ball around to edge us home."

### Division Six

#### BEAMINSTER 2ND 31 ALL OUT LOST TO

#### CREWKERNE 2ND 246-7 BY 215 RUNS

CREWKERNE elected to bat against eight-man Beaminster and thumped 246-7 with Steve Rowsall (62), Richard Keylock (48), Alan Wellman (40) and Nick Bodger (31 not out), top scoring, and were full of praise for Beaminster's fielding and spirit.

For the hosts Dave Hall was the pick of the bowlers with 4-30 from overs over with Dave Penman claiming 2-61 from his full quota. Injured Toby James kept wicket and took three catches with Will Aburrow claiming two.

In reply, Beaminster slumped to 13-6 before last pair Will Aburrow (13 not out) & 13-year-old Leo Gurd taking the total to 31 all out.

Beaminster take on table-toppers Chalke Valley at home on Saturday in their final game hopefully with a full complement.

#### CHARLTON DOWN 101-0 BEAT

#### STALBRIDGE 3RD 99 ALL OUT

CHARLTON Down's ten-wicket victory over Stalbridge 3rds guaranteed second place in their inaugural season in Saturday cricket and takes the title race, with Chalke Valley, down to the last game of the season.

Stalbridge won the toss but found batting difficult especially against Matt Stevens who impressively sealed and swung the ball both ways.

Stevens (3-17) bowled both openers and then a fa-

ther/son combination saw Tim Stevens take a sharp high catch at gully removing the impressive Marcus Robertson (23), with the score on 40-3.

This soon came 42-4 when Sam Roles claimed the first of his five victims having Calcott (1) caught by Tommy Tucker at mid off.

A good mini partnership between Graham Cundy(15) and Andy Moore (10) and some wayward bowling took the score to 81 before Roles (5-20) took four wickets in just three overs to destroy the Stalbridge middle order and leave them reeling.

Luke Voss (1-8) bowled a good line and length chipping in with a wicket on his first bowl of the season. The last wicket was taken by a debutant Tim Stevens, when with his first ball had Rob Brown caught by Luke Voss to dismiss Stalbridge for just 99.

Charlton Down openers Javed Gill (48 not out) and Jae Miller (37 not out) made little work of chasing down the 100 runs to win and it was vice captain Miller who hit the winning boundary to wrap up a convincing victory and seal the runners up spot.

Captain Tommy Tucker said: "Matt Stevens was very impressive on a damp wicket and bowled beautifully and was brilliantly backed up by the consistent controlled spin bowling of Sam Roles.

"Its brilliant that in our first season at Charlton Down that the young lads have performed so well.

Special mention must also go to our wicketkeeper Rob Deadman who turned in another excellent display behind the stumps.

"To end up with a minimum of runners-up in our first year is fantastic, and just shows that you can play to win but more importantly have great fun from the first game to the last!

"A proud captain of a great bunch of lads. Jae, Yvette, Chris, players and parents thank you for your support!"

### Readers Mid-Wessex League

#### Division One

#### BROADWINDSOR 99 ALL OUT LOST TO

#### WESTLANDS 245 ALL OUT BY 146 RUNS

BROADWINDSOR needed just four points to regain the Mid Wessex League title they relinquished last season, but after securing them they seemed to go into victory mode and were soundly beaten by Westlands.

The visitors elected to bat having won the toss, and with Murray Legg (2-42), Adie Phillips (2-48) and Indika (2-50) all claiming wickets, they were on the rack a little at 130-6.

But a blistering unbeaten 81 not out from M Mitchell took the advantage away from the hosts as he clouted the ball to all parts of the boundary to help his side to 245 all out.

Whether having achieved their goal they relaxed, but they did not show any form with the bat with only Dan Hillier with 34 making any impact.

Skipper Phillips said: "This was a disappointing defeat, the first of the season, particularly as it won us the title, and perhaps some relaxed a bit too much, but having said that we have played good cricket all season."

**Beaminster** face a trek to Marnhull to take on St Mary's RC - both ties are scheduled for Saturday, October 12th.

Lyme have beaten their opponents from North Dorset enroute to the final in the last three cup campaigns.

Last season a goal from then player-manager Karl Diment goal earned a 3-2 win in the

semi-final.

Lyme Regis Reserves, winners in 2011-12, **Pymore, Waytown Hounds**, Thorncombe and **Netherbury** have all been handed byes in the opening round of the Dorset Junior Cup.

Meanwhile, **Charmouth** entertain Handley Sports at Barrs Lane on October 5th.

In the Minor Cup Lyme Regis Bantams have been awarded a first round by in on their return the competition after opting out of the last six tournaments.

Elsewhere, Drimpton entertain Maiden Newton & Cattistock Reserves with Thorncombe Reserves on the road at Witchampton United Reserves (October 12th).

◆ ADAM Caddy has stood down as captain of Lyme Regis

FC for the upcoming season.

Caddy (25) is awaiting a scan on a troublesome knee injury and is also off travelling around Australia for six months from November.

The Seasiders new manager Tim Edwards is expected to name Caddy's successor before the team's opening PSL game against Ilminster Town Reserves at the Davey Fort on Saturday, September 14th.

In the recent pre-season friendlies Pete Peacock struck a hat-trick as Lyme Regis Reserves won 3-0 at Seaton Town Reserves last Tuesday.

On the same night goals from Dan Boot and Matt Pile couldn't save Charmouth from a 4-2 defeat against a Bridport XI.

On Saturday a Will Mowbury

first-half strike saw a Lyme Regis XI chalk up an impressive 1-0 win over Portland Reserves at the Davey Fort.

◆ HOLDERS Lyme Regis Bantams take on neighbours Up-lyme Reserves with the Bass Bottle at stake at Venlake tonight (Wednesday, 6.30pm ko). The second-leg is due to be held at the Davey Fort on Saturday.

◆ BEAMINSTER have scotched rumours that their maybe about to fold their Reserve team.

Club manager Matt Hughes told **VIEW SPORT**: "It's untrue. We have no plans to fold the team - indeed we've already played a number of pre-season friendlies.

"That said we are always on the lookout for new players, anybody interested can call me on 07540 952235.

THE final of last season's Edwards Charity Cup sponsored by **View From Newspapers** will take place next Thursday (September 5th) at St Mary's Field, kick-off 7.30pm, when holders Beaminster play Bridport 3rds writes *Stuart Broom*.

Last season's competition was dogged by the weather and caused a number of postponements resulting in the final having to be delayed, but it is hoped that, weather permitting, the final will be able to go ahead.

Meanwhile, the draw for this years competi-

tion has been made, and with Bridport U17s entering a side, last season's winners will no longer get a bye into the quarter-final.

Interestingly, the draw has pitched last season's finalists, Bridport 3ds and Beaminster against

each other, while Bridport U17s will play Charmouth.

The quarter-finals are completed with Waytown Hounds facing Pymore, and Netherbury taking on Lyme Regis.

Dates for these games are to be confirmed.

## Boxers knocked-out to meet Prince

DORCHESTER Amateur Boxing Club head coach Ben Geyser and three club members were delighted to meet Prince Edward, The Earl of Wessex when they attended the 70th anniversary of the Dorset Youth Association.

The association who support youth clubs and groups across Dorset invited members of the club to celebrate the occasion with a garden party at Moreton Gardens, and were told to expect a high profile visitor, al-

though their identity was kept secret.

Geyser who founded the club in 2003 invited three of his outstanding young boxers this year; Ollie-Luke Breen, Angus Dunn and Sol Gilday-Evans to join him as reward for their efforts.

He said: "This event is a long way from their normal activities to support groups like ourselves, and the excitement rose when we realised it was HRH The Earl of Wessex joining us, and that he would be meeting all the clubs, mentors and members from the clubs and groups.

"The Prince was introduced to each club and spoke to each of our young people. He asked what they did during the evening and was told about the fitness training, bag work, running and ring work. He then asked how good each of them was, and Angus challenged the Prince to find out!!

"The whole day was delightful and a memorable success enjoyed by all, and meeting the Prince will long be remembered."

## Dorset Premier Football League Islanders denied late winner

A CHRIS Herbst goal midway through the second-half saw Bridport Reserves bounce back from the disappointment of the recent 2-1 home defeat at the hands of Weymouth Reserves with a win over Swanage & Herston.

Saturday's game at St Mary's started late with the visitors delayed by a road traffic accident.

This led to a lacklustre first 45 with neither side creating anything of note.

The goal came in the 65th minute when Tristan Gale picked out Ben Clarke with a fine cross. Clarke's effort was parried by the Swans' 'keeper and fell to Herbst who drilled home his shot through a crowd of defenders.

Bees Manager Robin Townsend was pleased with the three points but the not the performance, he said: "We didn't create one chance or even a earn a corner in the first-half which was really poor.

"You could blame the delayed

start but we knew it was going to happen and prepared accordingly.

"After five games we have the points total I was after - but the win against Hamworthy was an unexpected bonus." Bridport travel to Holt United at the weekend.

Elsewhere, Mere Town moved to the top of the table after coming behind to beat Parley Sports. 3-1 while Portland United lost their 100 percent record when they were held 3-3 at Poole Borough.

The Islanders led 3-0 at the break with goals from Smith, Clark and Doidge.

But a classic game of two halves saw the hosts surge to level before Portland's Clark had a late 'winner' controversially ruled out after the officials had originally awarded the goal.

## Play-Off Trophy tour hits Bridport

◆ COME ON YOU GLOVERS: Stacey Pearson (left) and Natalie Haigh show off the League One Play-Off Trophy

FOOTBALL fans in Bridport got the opportunity to view and lift the League One Play-Off Trophy that Yeovil Town won at Wembley in May when it visited Buckydoo Square last Tuesday.

The trophy accompanied by two of the Yeovil Town Ladies team, Stacey Pearson and Natalie Haigh, is currently on a tour of local towns in Somerset, Dorset and Devon, and stopped in the town for two hours before touring West Bay and visiting Lyme Regis in the afternoon.

Members of the public were allowed to handle the trophy and have their photograph taken with the cup which the Glovers won by

defeating Brentford 2-1 in the final that saw them promoted to The Championship this season.

The club has a healthy following in Bridport with the local branch of the Green and White Supporters Club also travelling to most of the away games.

Stacey, a left midfielder, and defender Natalie went out of their way before leaving the town by calling at the home of Tom Burt, the Supporters Club organiser, who is wheelchair bound, when he realised he couldn't get into town in time, so that he too could enjoy the experience.

### Bridport off the mark with victory at bogey gound

#### Bitton 1 Bridport 2

TOOLSTATION PREMIER DIVISION  
Saturday, August 24th - att:

BRIDPORT put aside their opening two leagues defeats to win their first points of the new campaign with a well earned win at Bitton, a ground they have rarely had success at in latter years.

It didn't look as if that would change when the River Boys took the lead with a goal that had more than a suspicion of offside, but they fought back to equalise before the break and winning all three points courtesy of a "soft" penalty on 73 minutes.

With Tom Richardson suspended, Ryan Dovell (injured) and Darren Watts away skydiving for charity, Trevor Senior shuffled his pack.

Jamie Filkins returned to right back, Max Buckler moved into a more defensive role with Matt Condliffe assuming a position behind the two strikers Sam Charles and Steve Smith who has joined on loan from Wimborne.

Bitton took the lead on 10 minutes when a corner was only cleared as far as Conor Britton 30 yards from goal. His volley was parried by 'keeper Sam Filkins but Luke Bryan was on hand to net the rebound.

by **STUART BROOM**  
stuart@pemediia.co.uk

Senior claimed it looked as if Bryan and at least one other were in an offside position inside the six-yard box when he scored.

Bridport continued to play with fluency however, and Sam Charles had two half chances to equalise before the Bees drew level.

Dan Wise's free-kick found Chris Clarke at the far post who directed his header across goal where Smith tucked it home from close range. Bridport held the ascendancy up until the hour mark when the game became scrappy.

Then it was Bridport's turn for a piece of luck when Buckler, running into the area, appeared to lose control of the ball and went down just as he was about to be challenged.

However, the referee decided it was an illegal challenge and Wise made no mistake from the spot to give Bridport the lead.

Later Bridport claimed a legitimate penalty when Smith was blatantly upended, but the ref just some five yards away refused the appeals.

Bitton pushed for an equaliser but the Bees

defence stood resolute to the point that Sam Filkins wasn't really troubled.

On the two penalty incidents Senior said: "For me it wasn't a penalty, Max tripped over. The second one looked a very obvious one; but I guess they evened themselves out."

Senior felt his side deserved the victory saying: "It was a good team performance, and overall we deserved the victory."

It is always a difficult place to come to; I don't remember the last time we won here; and we played some decent stuff.

"Steve Smith hasn't played much and needs more games but showed what a good acquisition he could be, whilst Sam Charles had his best game to date this season. I also thought Shane Evans was excellent in the sweeper role."

Reflecting on the season to date he added: "It was disappointing to lose the opener against Larkhall. Neither side played well, but you shouldn't lose when you are 3-1 up at home."

"We had nothing to say at half-time at home to Sherborne as we were 1-0 up and playing very well, but we tailed off in the second-half and conceded two goals following long throw-ins, but then we played well and could have scored more against Hengrove Athletic."
